

# SME INSTRUMENT WORKSHOP - Programme

Horizon2020 - SME Instrument programme provides funding to highly innovative small and medium sized companies which want to push forward innovative ideas and translate them into new products or services.

Only eight SMEs from the Czech Republic have been funded by H2020-SME Instrument so far. If you want to be the next come and attend workshop where you will learn about SME Instrument programme rules, objectives and specific features, the successful Czech SME will share with you its experience and you will get useful tips from foreign SME Instrument evaluator how to prepare a successful project proposal. Last but not least SME Instrument Brno programme will be introduced. In the afternoon you will have the chance to consult your proposal with evaluators.

Date: 22. března 2017

Venue: JIC-INMEC, Purkyňova 127, Brno
